Technical Specifications

JL598 · Hydraulic DTH Rigs

Model	**JL598**
Mounting	**Crawler-mounted**
Drilling method	**DTH hammer, percussive-rotary**
Applications	**Hydropower • open-pit mining • road construction • defence works**

※ Standard factory configuration. Actual configuration can be customized to site conditions. Specifications are subject to change without notice; the delivered machine prevails.

Why ZUANJI

01
Selection by formation, hole size and depth

02
Full-machine test before shipment

03
Spare parts and engineer support
