

QY260 • PNEUMATIC WATER WELL RIGS

QY260 Pneumatic Water Well Drilling Rig

Full hydraulic control • high-torque head • 6 m mast optional

Full hydraulic control for easy, flexible operation, with a high-torque rotary head that keeps the hole steady. Optional dedicated casing-while-drilling tooling raises penetration rate and hole quality, and a 6 m mast is available.

Factory direct • 80+ countries | ISO 9001 | Since 1989
